President's Report

ACE has approximately \$50,000 of travel and conference funds which is carried forward from year to year. This is in addition to the \$40,000 that the District allocates annually between DA, CS and FH for travel and conference, where typically only half of that amount is spent. A request has been made by the Staff Development Office at De Anza to use some of that carry forward money for an online service, Academic Impressions, to provide training in the area of student services. Participation in these trainings would count towards professional growth. The cost would be \$8,000 a year and would be available to staff district wide. The Board agreed to review the curriculum to determine if it was worthwhile.

Classified Senate at Foothill passed a resolution that it should be bargained that Veteran's Day and Caesar Chavez Day be celebrated on their respective dates, ie November 11 and March 31.

Negotiation Committee is continuing to meet with the District and has not come to agreement on salaries. The Joint Labor Management Committee (made up of all unions and management) on benefits are still bargaining regarding 2017 benefits and once those negotiations are completed the District has indicated it will resolve the outstanding bargaining issues with each individual bargaining unit.

March 17, 2016 is the grand opening for the remolded Foothill library.
