F. New Business:

- **Changes to ACE Constitution**

- No longer have members approve, just review. We never did this before. It is an extra step that isn't always necessary.
- Add recorder as a voting member – Chris W. recommends giving them a vote. Irma would like them to be elected to have a vote.
- Changing stewards from voting members to appointed members of board with an advisory vote. The steward is extremely important as a link between the members and the administration. The chief stewards must command the respect of both. This is a way to create quality control.
- Removed Technology Committee and Elections Committee.
- Removed Safety Committee.
- Adds a process for developing an electronic ballot and timeline for running election.
- Adds a process when paper ballot is needed.
- Cleans up general grammar and punctuation.

- If the board has any suggestions, please send to Chris W. before the next board meeting. Will be reviewed again at April 11 board meeting.

- **Steward Appointment at Foothill**
