E. President's Announcements: Presenter White:

- **Dues Forgiveness:**
 - ACE Dues forgiveness for the November paycheck.
 - This is due to great financial stewardship of the Board.
 - The Board from the beginning saving money and being judicious on how we spend money.
 - If we don't need the money from dues, we don't take it. That's one of the wonderful things about being independent.

- **Retroactive Pay:**

- Just got confirmation from Pat Hyand that they are still working on the retroactive pay.
- The lumpsum retroactive payment most likely won't happen until sometime next year.
- ACE will be filing a lawsuit to receive compensation for the delay in payment.
- Unfortunately, this is really a logistics problem and there really isn't any other action we can take to speed up the process.
- I commend those who reviewed their paychecks when the salary change went into effect and responded when there were errors.
- I also want to commend HR and Payroll for doing a great job completing a very complicated and work intensive change.
-
